

MONKLANDS ARCHERY CLUB

“252” AWARD

The “252” award is a recognition of an archer’s ability to score 252 points (or more) at a variety of distances, over three dozen arrows. It is an award scheme in use at many archery clubs in the UK, and applies to all archers, irrespective of age, ability or bow type. The 252 number is a generic handicap standard score.

The Rules:

- Six sighters to be followed immediately by three dozen scored arrows, to be shot at the archer’s choosing distance (see below), with a score of 252 (or equivalent for your bow type – see below) or greater to be achieved to qualify for the award (maximum score = 324)
- Imperial distances (per table below) will be used, as will 5-zone scoring on a standard 122cm diameter face (gold = 9, red = 7, blue = 5, black = 3, white = 1, miss = 0).
- The score must be witnessed by another club member.
- Scores to be submitted (either using the sheet opposite, or an archer’s own score sheet) to the Records Officer or another member of the committee as soon as possible after achieving it
- Only the first round of the day can qualify.
- A score from a consecutive three dozen arrows can be submitted if the three dozen was part of another recognized, scored round (e.g., National); evidence of the score with the relevant three dozen arrows clearly identified must be submitted to the Records Officer
- Qualifying scores need to be achieved twice to gain the award.
- A distance award may be claimed multiple times if different bow styles are used (recurve, compound, longbow etc)
- Once an award at a particular distance has been attained, you cannot go back (e.g., once getting 40-yard badge for recurve, you can’t then go for 20 or 30 yards recurve)

Awards Available

Distance (yds)	Award*	Recurve Score	Compound Score	Longbow Score	Barebow Score
20	White	252	280	164	189
30	Black	252	280	164	189
40	Blue	252	280	164	189
50	Red	252	280	164	189
60	Bronze	252	280	164	189
80	Silver	252	280	126	164
100	Gold	252	280	101	139
